

Call for Research Presentations

The Research Committee is pleased to announce a call for research reports for presentation at a Research Poster Session at the NCMEA In-Service Conference, November 7-10, 2009.

The committee invites submissions from all members of NCMEA and all areas of MENC, nationwide. Authors whose reports are selected will present their research during a research poster session in which interested music educators can learn about the research and discuss applications to music teaching and learning with the authors. Each presenter will prepare a 30" x 40" poster that describes the research and will provide abstracts for interested individuals attending the poster session. Complete instructions for preparing the poster will be sent to each author whose paper is accepted.

To submit a presentation proposal: Prepare an abstract of approximately 750 words that provides a concise, yet thorough, summary of the research project, and submit **an electronic copy pasted directly into the body of an email message** to:

Jennifer A. Bugos, Research Chair
e-mail: bugosj@ecu.edu.

Include at the top of the message's text: the project title, author(s), institutional affiliations, mailing address and phone number. In the subject heading of the e-mail, please indicate NCMEA Research Session.

Submissions must be received by September 1, 2009.

Call for Submissions for the Graduate Research Symposium

The Research Committee is pleased to announce a call for Graduate Research for presentation at a Graduate Research Symposium at the NCMEA In-Service Conference, November 7-10, 2009.

Graduate Research of In-Progress or Completed Work or Completed Research Proposals exploring any area of music education will be considered for presentation at the Graduate Research Symposium during which members of the NCMEA Research Committee will provide encouragement and feedback to members of the next generation of music education researchers.

To submit: Prepare an abstract of approximately 150 words or less that provides a concise, yet thorough, description of the research project, and submit **an electronic copy pasted directly into the body of an email message** to:

Jennifer A. Bugos, Research Chair
e-mail: bugosj@ecu.edu.

Include at the top of the message's text: the project title, author(s), institutional affiliations, mailing address and phone number. In the subject heading of the e-mail, please indicate NCMEA Graduate Symposium.

Submissions must be received by September 1, 2009.
