## Deadline is October 23<sup>rd</sup>. Don't be late.

As in the past, we have rehearsal tracks with each vocal part and the accompaniment for each song. The tracks are on the website [www.ncmea.net](http://www.ncmea.net).

### Music

Music will follow in a few days from J.W. Pepper, Inc. In each packet will be an extra set of music for the director. It does NOT include the audition piece as it should have been purchased for the audition. It is the teacher's responsibility to spend enough time with their student(s) to ensure they know the music well enough to sing the music on a concert you would have at your school. Payment for the music packets are the responsibility of each school.

**The Music:** Students should be able to perform this music on a concert before they get to Honors Chorus. The concert will be sung from memory.

Teachers, you must accompany your student(s) to Honors Chorus and rehearsals. You and your school are responsible for your student(s) and their behavior. Again, this year at the rehearsal if you must leave the immediate area for any reason, you will need to sign a check out sheet with your contact information. This book will be located on the registration table. Also, if you are attending a session during rehearsals please sign this book as well.

### Concert Attire

Concert attire for the concert is Red dresses for the ladies. Please make sure they are an appropriate length. Ladies should wear flats or short heels. Please no big bows or earrings. Small earrings are okay. There should not be any jewelry worn on their arms. Watches are okay. Men should wear black pants, black shoes, and a white long sleeved button down shirt with a long RED TIE.

Performance recordings will be available at the concert from White Sound Studio. Both the DVD's and CD's will contain the Elementary, Middle, and High School performances. You will find an order form on the website and you should also receive one in your music packets as well. You can print off as many copies as you need and will not have to stand in line at the concert. I suggest that you give these to the parents in advance. These can be mailed in as well.

I want to thank you for the work you have done so far in making our 2019 Honors Chorus a big success. We have a long way to go before our work is complete.

When walking students to and from the Steven's Center I would like for all teachers to help with this. I want to keep the line moving and not have any gaps in the line.

Again, thank you for your extra time and effort! I look forward to seeing you at conference. All of you have made my job easier by being the best Directors in North Carolina! If you are new to Honors Chorus, please introduce yourself to me so that I can put names and faces with everyone.

I want to say thank you for all you do everyday to change the lives of the students you teach.

If you plan to order a T-Shirt, please send your money with the registration. Make sure that you order the CORRECT size(s) the first time. The T-Shirt will be short sleeved.

Many thanks,

**It would be very helpful to mail all forms in a brown clasp envelope and do NOT fold any of the papers. This will make Becky's life so much easier!**

**Postmark forms by October 23rd. Late forms will NOT be opened.**
