

## QuaverEd Celebrates Music in Our Homes Month!

QuaverEd is excited to partner with NCMEA for Music in Our Homes Month!

Right now, teachers around the country are using digital technology in an attempt to stay connected with their students due to Stay-At-Home orders. **We've partnered with NCMEA to ensure that all teachers and students have access to music at home and can keep the music playing!**

### **Connect with us!**

*Share how you are making music at home this month. Be sure to tag @NCMEA, @QuaverMusic, and use the hashtag #MIOHM!*

*Retired Quaver Teacher and Quaver Teacher Ambassador Angie Mangum recommends the following ClassPlay songs to get you started and engage students at home:*

### Suggested ClassPlay Songs:

- **“America, the Beautiful”** - Contains powerful lyrics and an opportunity to increase vocabulary.
- **“Bought Me a Cat”** - Connects us with who we have at home with us- our fur friends! Opportunities to expand can be created with word changes: “Played my (recorder, harmonica, ukulele) under yonder tree.” The Quaver Movement Video provides fun ideas for movement!
- **“Frère Jacques”** - Explore French, German and Spanish languages. Hold down the “E” key to select the grave accent mark ( `.)
- **“Head, Shoulders, Knees and Toes”** - Get those bodies energized with tempo changes!
- **“I Wanna be in a Street Band”** - Find homestyle percussion instruments while reinforcing rhythm reading.
- **“Mi Cuerpo”** - A great song to introduce Spanish and encourage movement.
- **“Simple Gifts”** - Appreciate these simple gifts we have today!
- **“Taba Naba”** - Broaden your world! Explore the Meriam Mir language of Aboriginal People of Eastern Torres Strait Islands while providing an opportunity to “visit” a coast.
- **“You’re a Grand Old Flag”** - An upbeat patriotic melody!
